AZ CORP COMMISSION
DOCKET CONTROL

IN THE MATTER OF THE FORMAL
COMPLAINT OF MARSHALL
MAGRUDER FILED WITH THE
ARIZONA CORPORATION
COMMISSION ON DECEMBER 5,
2008

Docket No. E-04204A-08-0589

Filing a Motion for a Prehearing Conference
and Hearing Schedule

14 February 2009

On 12 January 2009, Administrative Law Judge Jane Rodda was assigned to this docket. A Procedural Order has not been received with respect to this Formal Complaint.

Due to the impending high school senior student activities involving applying for college and the impact of funding and other issues, early and clear resolution is very important in Santa Cruz County. Further, the replacement of defective utility poles and cables that continue to age continues. The lack of a system to notify all UNS Electric customers on life-support during an electrical outage remains with the safety of these vulnerable citizens.

Based on these issues, I move that a Prehearing Conference be held prior to 25 February so an early March and so that oral hearing can be held due to conflicts later in that month as recommended in this party's filing of 9 January 2009.

I certify this filing was mailed to all known parties on the Service List this date.

Respectfully submitted on this 14th day of February 2009
